Disclosure of Financial Support

This program has received financial support from Amgen Canada Inc. in the form of an educational grant.

This program has received in-kind support from Amgen Canada Inc. in the form of logistical support.

Potential for Conflicts of Interest

Robert Hegele and Milan Gupta have received honoraria from the Canadian Collaborative Research Network for this program.

Amgen Canada Inc. benefits from the sale of a product that will be discussed in this program.

Mitigating Potential Bias

Bias in this program has been mitigated using the following:

- 1) The content of this program was developed by the scientific planning committee and peer reviewed by the Canadian Collaborative Research Network.
- 2) Recommendations involving clinical medicine are based on evidence that is accepted within the profession.
- 3) All scientific research referred to, reported, or used in the program in support or justification of patient care recommendations conforms to the generally accepted standards.
